

## Csaba Malatinszky

**owner-managing director**

Malatinszky Kúria Organic Wine Estate

<http://www.malatinszky.hu>

### Description

Malatinszky Csaba's objective is to make wines with style and environment. He combines modern and traditional winemaking methods. He currently has 30 hectares under cultivation that is completely organic since 2009. Among Malatinszky wines three categories are differentiated. The classical Le Sommelier line, the premium Noblesse line produced of free run juice only and the super-premium Kúria line that consists of the highest quality unfiltered bottles made of free run juice as well. Malatinszky's flagship wine is Cabernet Franc.
