Description

Concept is the Czech brand of small household appliances. Our role is to change housework or duties of today people for a favourite activity that brings them joy, pleasure, benefits and health for themselves, for their families and invited friends. Two main streams:

Concept of delicious food allows people prepare perfect delicacies thanks to blenders, mixers, robots, multifunctional pots, grill, sandwich makers and small ovens.

Concept of healthy lifestyle follows the trendy way of life and eating. To enjoy the fresh fruit and vegetable, we offer wide range of smoothie makers and juicers.

Concept of healthy food preservation takes care of your homemade food and jewels from your garden - fruits and vegetables thanks to vacuum systems and fruit dryers.

Concept celebrates 15 years on the market and you can find our products in food chains like Makro, Metro SK, Globus, Kaufland, electro shops like ElectroWorld, Euronics, Datart, in the significant e-shops like mall.hu, alza.cz etc.

We are looking forward to the cooperation with you and together future!
