Description

Feio srl is an italian roasting company situated very close to Naples , the cradle of coffee culture . We offer a full range of products , coffee beans , coffee pods , coffee capsules compatibles Nespresso and Lavazza , and ground coffee .

We are present on the market with our brand Karoma but we are specialized in the private label service, so we are able to produce all product with customer's brand.

We would like to offer a real italian espresso coffee in our stand in the pavillion A stand no. K41/8 .
