Bilateral Meetings

- (13.00 pm - 18.00 pm)

Description

We are a Hungarian factory producing different kind of biscuits and snacks. We aim mainly the healthy consumption with our products - we offer oat and cereal biscuits, diabetic and organic items, etc. We have also a special kid line: we offer biscuits and snacks for children depending on their age. We are ready to produce also with private label. We are looking for new markets and partners.
