Bilateral Meetings

- (13.00 pm - 18.00 pm)

Description

Competir Internacional was founded in 2012 to fulfill the need to support small and medium size companies to export local products. We are part of COMPETIR, a group of companies present both in the Portuguese market and international markets, that provides services and training. We are leaders in Education providing vocational training and specific skills. COMPETIR is present in several international markets, where it has business partners from different activities and sectors. Allowing us to build a strong contact network to use for Competir Internacional's partners. The vast experience and knowledge acquired in the last 23 years allowed us to have a correct and adequate knowledge for micro, small, industrial and service companies of the domestic market.

Mission: To bring small and medium size Portuguese manufacturers and international buyers together.

Goal: To use our existing network to help small and medium size portuguese producers export for targeted markets.
