Description

Our company is one of the most important players in the Eastern region. We collect the best Hungarian honeys to be able to satisfy the needs of our clients all over Europe delivering first-class quality.

Nyírség Méz Kft. was founded on the basis of a long-established family-run business with the purpose of introducing, by means of the company's export activities, the unique flavour of Hungarian honeys to the counties of Europe and the world.

Our competitive edge is our 30 years of professional experience ranging from the production and processing to the marketing and sales of honey. We firmly believe that our expertise, technical and technological background and the satisfaction of our partners all indicate that we are on the right track.
