### Bilateral Meetings

- (13.00 pm - 18.00 pm)

#### Description

Me and my family are growing "Nagydobosi" pumpkins since over 20 years now. We are dedicated to grow and sell only quality pumpkins what not only means that we take care about preserving the main characteristics of the so called Nagydobosi pumpkin but we are committed to market only superior taste and consistency.

We are looking for HORECA partners who can share our ambition to make this unique agricultural product even more popular by creating standalone gastronomic specialities.
