Description

Politur Szövetkezet was founded in 1952. Our main profile is production and sale of sweetener tablets, liquid and powder sweeteners.

Production of our first sweeteners - „Saccharin” tablets - begun in 1957. Since 1992 our liquid sweeteners in 125 ml and 250 ml PET bottles are also available in the shops. Our liquid sweetener Polisweet gained the title of „Excellent Hungarian Product” in 1998, it is still very popular among the customers.

Our sweetening powder called „Sweetia” has been on the market since 2001. Recently become our stevia-based new products more popular.

We are manufacturer and supplier of own-brand tablet and liquid sweeteners of Auchan, Spar and COOP supermarkets, furthermore, we deliver to Tesco, Metro, CBA, Real stores and Bellis (Béres), Bijó, MediLine, Herbaház, SweetLine chains. Production site is SGS/ISO and CERTOP certified.
