Description

The factory of Hungaro-Food 2009 Ltd. was built in 2013, Békésszentandrás - Hungary - , with the most modern technology at the current time.

The company - that only deals with secondary production - produces 6-7 000 tons of goods yearly, made from pork, beef, and poultry. Among our products you can find price sensitive, and premium category. Thanks to our modern packing technology, no packing is problem for us. We are able to pack from the smallest consumer packaging to gastro (for HORECA).

We have got BRC classification, furthermore Halal, and Kosher certification.

In the first two years of our operation, many of our product lines were awarded with Hungarian Product Grand Prix, and Hungexpo Special Award.

Besides our actual product portfolio, we are open to develop any kind of product to our trading partner - irrespective from category.
