

Cheese specialty products

KISTELEKI CHEESE FACTORY Ltd. is a producer of specialty cheese products. The enterprise enlarges its production range steadily and can offer a large choice of excellent products, among other: White Cream Cheese Cubes in seasoned oil and Royal Paprika Filled with Cheese Cream in glass with one year of shelf-life at room temperature.

Fresh Valdor Snacks in MAP plastic cups with olives and other high quality vegetable components and exciting spices.

Our team is open to develop any other product in cooperation with you.
